

APPLE IPHONE 4S

www.apple.com/iphone

Your favourite on-trend family member or friend will love the new fourth generation Apple iPhone 4S. Theirs to enjoy in black or white, the 4S allows you to send unlimited text messages to another iPhone absolutely free over wi-fi, as well as record, edit and share all those important moments using the HD video recording feature. Plus, your new voice-activated assistant, Siri, will answer all your questions, from: 'Do I need an umbrella?' to 'Where's the closest ATM?'

Techbuster

WORDS: LISA TO

KINECT FOR XBOX 360

www.xbox.com/en-au/kinect

What better gift for the gamer in your life than the new Kinect for Xbox 360? Players of all ages will enjoy the special-edition console: instead of using the traditional Xbox controller, games are powered by a simple movement of your hand or the sound of your voice – you are the controller. Spread the Kinect magic this Christmas ...

SONY SA-N300 WIRELESS NETWORK SPEAKER

www.sony.com.au

For the person in your life who loves to feel – not just hear – their music, Sony's new 'ultimate party speaker' is the perfect gift. The N300 allows you to wirelessly connect audio to select Blu-ray home theatre systems, Blu-ray players, hi-fi systems and PCs through an existing wi-fi home network. It can also be used for 'party streaming', an innovation that allows users to sync the same audio stream to play simultaneously in different locations throughout the house. Your favourite Christmas carols will sound better than ever!

KOGAN AGORA 10-INCH TABLET PC

www.kogan.com.au

Mum, dad, sister, brother – whoever holds the tech-savvy title in your family will have a great time with Kogan's new 10-inch Agora Tablet. Also available in a more compact 8-inch size, it offers the perfect Android experience on a large bright screen, with access to thousands of apps and games. The ultimate entertainment (and organisational) device, the lucky recipient will be able to watch movies, listen to music, play games and browse the web, all from the palm of their hand.
