

10 DAYS OF Xmas

On the third day of Christmas . . .

This holiday season is about smooth criminals: **MR NICE** is the acclaimed film adaptation of the bestselling bio of globetrotting playboy and drug trafficker Howard Marks.

SETUP stars Bruce Willis as a ruthless crime kingpin looking to take back the diamonds stolen from him in a brazen heist by 50 Cent and Ryan Phillippe.

On the second day of Christmas . . .

Mark Gilbert produces uniquely hand-crafted electric guitars made from striking special-species Tasmanian timbers and outfitted with the finest componentry. As individual as its owner, each guitar can be personalised, just like the Wolf Mail Signature guitar, selected by Canadian blues rock guitarist Wolf Mail, for his recent world tour. Prices starting from \$5000.
